JHARKHAND STATE ELECTRICITY REGULATORY COMMISSION

Notification

21st December, 2018

Notification no.63

CHAPTER I:

GENERAL

A1: PREAMBLE

- 1.1 The Section 53 of the Electricity Act, 2003 prescribes the specification of suitable measures for-
- protecting the public (including the persons engaged in the generation, transmission or distribution or trading) from dangers arising from the generation, transmission or distribution or trading of electricity, or use of electricity supplied or installation, maintenance or use of any electric line or electrical plant;
 - eliminating or reducing the risks of personal injury to any person, or damage to property of any person or interference with use of such property.

- 1.2 The Sections 57 and 58 of the Electricity Act, 2003 prescribe specification of standards of performance of a Licensee and liability for payment of compensation as may be determined by the Appropriate Commission to the person affected by a Licensee failing to meet the specified standards.
- 1.3 The Section 161 of the Electricity Act, 2003 provides for notice of accidents and inquiries, if any accident occurs in connection with the generation, transmission, distribution, supply or use of electricity in or in connection with, any part of the electric lines or electrical plant of any person and the accident results or is likely to have resulted in loss of human or animal life or in any injury to a human being or an animal.
- 1.4 The Jharkhand Electricity Regulatory Commission has already notified the JSERC (Distribution Licensees Standards of Performance) Regulations 2015, but it does not provide for compensation for injury to human beings or animals or property, in spite of providing for and ensuring their protection and safety being mandatory under the statutes and the statutory rules above referred to.
- 1.5 The clause 181 (1) of the Electricity Act, 2003 gives power to the State Commission to make regulations consistent with the Electricity Act, 2003 and specify rules generally to carry out the provisions of the Act.
- 1.6 In exercise of the powers conferred under clause 181 (1) of the Electricity Act, 2003 and all other powers enabling it in this behalf, the Jharkhand State Electricity Regulatory Commission (JSERC) hereby makes the following regulations for grant of compensation to victims of electrical accidents.

A2: SHORT TITLE, COMMENCEMENT AND EXTENT

- 2.1 These Regulations shall be called the Jharkhand State Electricity Regulatory Commission (Compensation to Victims of Electrical Accidents) Regulations, 2018.
- 2.2 These Regulation shall come into force from the date of its publication in the Official Gazette of the Government of Jharkhand;
- 2.3 These Regulations shall extend to the whole state of Jharkhand.

(The loss is to be certified during the preparation of the enquiry report)
- 6.6 **Assessment of Compensation:** The quantum of compensation payable in respect of death or injury to a human being or an animal shall be arrived at as specified in the Regulations. The quantum of compensation for damage to property shall be assessed as per the applicable schedule of rates of the Generating company or Licensee or rates notified periodically by the Public Works Department (PWD).
- 6.7 **Other rights and remedies unaffected:** The right of any person to claim compensation as above shall not affect the right of any such person to recover the compensation payable under Workmen's Compensation Act, Central Act 8 of 1923 or any other law in force. The compensation received from any other law shall remain unaffected by any payment of any sum made under these Regulations.
- 6.8 **Contracts or Schemes Unaffected:** The right of any person to otherwise claim compensation under any contract or scheme providing for payment of compensation for death or personal injury or any sum payable under any policy of insurance shall remain unaffected by any payment of any sum made under these Regulations.

- 6.9 **Periodical revision of the quantum of compensation:** The Commission may, in consultation with the Generating companies, Licensees and Persons shall for reasons to be recorded in writing, revise the limits of compensation specified in clause A6 above, on expiry of a period of generally two years from the date of these Regulations coming into force and thereafter, on expiry of two years from each enhancement.

CHAPTER IV:

PROCEDURE

A7: OCCURRENCE OF REPORT OF AN ELECTRICAL ACCIDENT

- 7.1 The Junior Engineer or the Assistant Engineer or the Engineer or Equivalent of the Generating company or Licensee under whose jurisdiction the accident has occurred, shall prepare an occurrence report and send the report under proper receipt to the Executive Engineer or Equivalent concerned forthwith on the knowledge of an electrical accident in the form set out in Annexure-I to these Regulations so as to reach within twenty four hours of the electrical accident.
- 7.2 The records of all such electrical accidents shall be maintained along with the enquiry report prepared as specified above.

A8: ENQUIRY REPORT

- 8.1 The Executive Engineer or Equivalent shall, within 15 days from the receipt of a report of an electrical accident, submit a detailed report through proper channel to the Managing Director of the concerned Generating company or Licensee after conducting a detailed enquiry of the said accident. The report of the Executive Engineer or Equivalent shall also make specific recommendations on the quantum of compensation and persons entitled to the same as per the provisions of this Regulation.

Notwithstanding above, the dependents of a person who died in an electrical accident or a person affected by the injury caused to himself or to an animal are at liberty to make a claim for compensation in the form set out in Annexure-II to these Regulation presented in person or sent by post to the Managing Director of the concerned Generating company or Licensee, who shall cause such claim to be enquired into and determined in accordance with these Regulation.

Provided that irrespective of making of such a claim or not, the determination of the quantum of compensation and the persons entitled to the same shall be made in accordance with these Regulation whenever such compensation is payable under these Regulations.

A9: VERIFICATION AND FINAL ORDERS

- 9.1 The designated authority, to be nominated by the Managing Director or to be specified in the guidelines framed by the respective Generating company or Licensee, shall verify the contents of the occurrence report of the Junior Engineer or Assistant Engineer or Equivalent and the Enquiry Report of the Executive Engineer or Equivalent, by himself or through such other officer as he may duly authorize in this behalf and assess the compensation in the manner specified under section A6 above.
- 9.2 The authority may thereupon pass final orders determining the quantum of compensation payable and the persons entitled to the same, namely the dependents of the deceased person or the injured person or the owner of the animal, as the case may be.
- 9.3 Such verification, assessment and passing of final orders on any compensation payable and the persons to whom it is payable shall be completed within 15 days from the date of receipt of a report from the Executive Engineer or Equivalent.

A10: COMMUNICATION OF THE FINAL ORDER

- 10.1 The Generating company or Licensee shall communicate a copy of the final orders passed by it on any claim for compensation arising out of an electrical accident to the claimants and the persons entitled within 7 days of the passing of any such order.

A11: PAYMENT OF COMPENSATION

- 11.1 The compensation shall be paid to the persons entitled to the same within 15 days from the date of the final Order.

A12: APPEAL OF THE FINAL ORDER

- 12.1 If the claimant or the person entitled is aggrieved with the final order of the authority with regard to entitlement of compensation or quantum of compensation, the person may file an appeal before the authority to be declared by the Generating company or Licensee in accordance with guidelines framed by the Generating company or Licensee.

A13: PRESUMPTION

- 13.1 The occurrence of an electrical accident resulting in loss of human or animal life or injury to human beings or animals shall, for the purposes of assessing the liability for compensation, be presumed of the Generating company or Licensee failing to meet the safety standards of performance specified in section A4 above and the burden of proving to the contrary shall lie on the Generating company or Licensee.

A14: INTEREST COST

- 14.1 The quantum of compensation determined by the final order shall be paid as per the timeline stipulated in clause A11 of this Regulation and if such payment is delayed for any reason, the same shall be paid from that date with interest at 12% per annum till the date of payment.

A15: DISPUTES ABOUT ENTITLEMENT

- 15.1 If there is any dispute or difference regarding the entitlement to compensation on the death of a human being in an electrical accident or the ownership of an animal involved in an electrical accident which, in the opinion of the claimant or person entitled, satisfactorily decided by the authority in accordance with these Regulations, the claimant or the person entitled may exercise his right to move before a civil court of competent jurisdiction.

A16: JURISDICTION OF CONSUMER GRIEVANCES REDRESSAL FORUM AND ELECTRICITY OMBUDSMAN

- 16.1 Any person aggrieved by the final order on the quantum or entitlement to compensation shall be deemed to have a grievance within the meaning of Regulation 2 (e) of JSERC (Guidelines for establishment of Forum for Redressal of Grievances of the Consumers and Electricity Ombudsman) Regulations, 2011 and its amendments, shall be entitled to make a complaint to the Consumer Grievances Redressal Forum having jurisdiction over the place of the electrical accident and the said complaint shall be dealt with and decided in accordance with the said Regulation:

Provided that the order of the Consumer Grievances Redressal Forum shall be further subject to a representation to the Electricity Ombudsman which shall also be dealt with and decided in accordance with the said Regulation.

A17: CONSEQUENCES OF NON-COMPLIANCE

- 17.1 Contravention of any of the provisions of these Regulations and non-compliance with the orders or directions of the State Commission under these Regulations shall be deemed to be non-compliance and contravention within the meaning of Sections 142 and 146 of Electricity Act, 2003.

A18: INFORMATION TO THE COMMISSION

- 18.1 The Generating company and Licensees shall submit to the State Commission by 15th of every succeeding month, the details of the electrical accidents occurring within their respective jurisdictions and action taken thereon in accordance with these Regulations.

A19: ASSISTANCE TO DEPENDENTS AND VICTIMS

- 19.1 The Generating company and Licensees concerned shall ensure extending all possible assistance and help to the dependents of a deceased human being or the victims of an electrical accident to the extent possible to get over the consequences of an electrical accident, more particularly, medical treatment and physical rehabilitation.

CHAPTER V:**MISCELLANEOUS****A20: RESIDUARY PROVISIONS**

- 20.1 The provisions of these Regulations shall be in addition to and not in derogation of the provisions of any other law or rules or regulations or scheme or contract for the time being in force.
- 20.2 Nothing in these Regulations shall be deemed to limit or otherwise affect the inherent power of the Commission to make such orders as may be necessary for meeting the ends of justice or to prevent the abuse of the process of the Commission.
- 20.3 Nothing in these Regulations shall bar the Commission from adopting a procedure which is at variance with any of the provisions of these Regulations, if the Commission, in view of the special circumstances of a matter or class of matters and for reasons to be recorded in writing deems it necessary or expedient.
- 20.4 Nothing in these Regulations shall, expressly or impliedly, bar the Commission to deal with any matter or exercise any power under the Electricity Act, 2003 for which no Regulations have been framed, and the Commission may deal with such matters, powers and functions in a manner it deems fit.
- 20.5 Subject to the provisions of the Electricity Act, 2003 and these Regulations, the Commission may, from time to time, issue orders and practice directions in regard to the implementation of these Regulations and procedure to be followed on various matters which the Commission has been empowered by these Regulations to specify or direct.
- 20.6 If any difficulty arises in giving effect to any of the provisions of these Regulations, the Commission may, by general or special order, do anything not being inconsistent with the provisions of the Electricity Act, 2003, which appears to it to be necessary or expedient for the purpose of removing the difficulties.

- 20.7 The Commission shall have the power, for reasons to be recorded in writing and with notice to the affected parties, to dispense with the requirements of any of the clauses in these Regulations in a specific case or cases subject to such terms and conditions as may be specified.

A21: GENERAL POWER TO AMEND

- 21.1 The Commission may, at any time and on such terms as to costs or otherwise, as it may think fit, amend any defect or error in any proceeding before it, and all necessary amendments shall be made for the purpose of determining the real question or issue arising in the proceedings.

A22: POWER TO REMOVE DIFFICULTIES

- 22.1 If any difficulty arises in giving effect to any of the provisions of these Regulations, the Commission may, by general or special order, do anything not being inconsistent with the provisions of the Act, which appears to it to be necessary or expedient for the purpose of removing the difficulties.

A23: REPEAL AND SAVINGS

- 23.1 Nothing in these Regulations shall be deemed to limit or otherwise affect the inherent powers of the Commission to make such orders as may be necessary for ends of justice to meet or to prevent abuses of the process of the Commission.
- 23.2 Nothing in these Regulations shall, expressly or impliedly, bar the Commission dealing with any matter or exercising any power under the Act for which no Regulations have been framed, and the Commission may deal with such matters, powers and functions in a manner it thinks fit.
